

THE PRESERVE ON ANATASIA ISLAND
NEWSLETTER
April 2021

Easter Sunday April 4: Bring out your Easter Bonnet and hide your Easter eggs. Easter comes early this year. Happy Easter to you and your family!

New Pool Rules: Effective immediately, we have new pool rules. The Board of Health has informed us that we are not permitted to have food or drink in or on the edge of the pool. This is a change from the no food rule. Now you must keep your beverages at your seat/table. Food is still restricted to the lanai. A new sign with the new rules will be posted soon.

Garage Sale: The Preserve and Sunset Point are hosting a combined Garage Sale on April 17 from 8:00 AM to 2:00 PM. Now is the time to clean out those unwanted treasures and purchase other treasures from your neighbors.

Picnic Area: We have new grills. The picnic tables and benches are on order and will arrive in May. Bring out your steaks, hot dogs, and hamburgers. The weather is great for outdoor dining.

At Your Door: Recall last year the board set some standards for what can be placed outside your condo door. We have become a little lax on these standards lately. Please see the office for a refresher on what is allowed if you have questions. Items in violation will be removed and disposed. These standards were created to conform to fire code regulations and to keep our neighborhood well groomed.

Keep America Beautiful Month: Keep America Beautiful Month in April is inspired by a non-profit organization dedicated towards improving our public spaces through action and education. With over 40,000 national events, there's plenty of opportunity to roll up your sleeves wherever you live. Show visitors how stunning your city can be.
