New Dumpster – OK so a new dumpster may not top your list of excitement, but there are some things you need to know. Please do not put construction material in the dumpster! No water heaters, cabinets, furniture, etc. It is for trash only. We bought this one and need to take precautions to keep it in shape.

Dogs Welcome Outside – We love our dogs. They can bring a lot of joy to our lives. Please do not bring your dog into the pool area, the gym, or the basketball court. Also, it is your responsibility to clean up any messes left by your dog.

Mask Wearing – It's August and it is hot! Thankfully, we don't need to wear masks outdoors. Concern over the COVID virus is very real for some. Please be mindful of others and keep your distance unless invited to come closer. The St Augustine administrative rule requires face coverings be worn inside businesses and other buildings open to the public. It does make exceptions for those with medical conditions, while people are eating and drinking, during exercise, for children under age 2 and where people are working and can maintain social distance of at least 6 feet.

Things to do – with COVID, we have been cooped up for a while. Things are starting to open up. It is time to start enjoying life again. Below are just a few events. <https://www.visitstaugustine.com/events/all?page=1>
