

**THE PRESERVE ON ANASTASIA ISLAND
NEWSLETTER
August 2022**

Tuesday, August 9 at 9am through Friday, August 12: Village Key and Alarm will be doing their annual inspections of the fire alarm systems in every building. Notices will be distributed to all units as the date gets closer. The inspections usually end around 1pm each day.

Monday, August 15 (approximately 9:30-10am): A1A Pressure Washing will begin pressure washing ALL buildings and continue until finished. Note: It may take that entire week. The pool area will be closed Thursday, August 18 to allow for pressure washing the common areas of the gym and clubhouse buildings until approximately 3pm. All windows must be closed and all plants and decorations must be removed. It also may be best to park away from the buildings being worked on. A more specific schedule of the building numbers and the day for each will be provided as the time approaches.

AC Drain Lines: Our AC's are working overtime in this heat and humidity. Please keep your drain lines clear at a minimum of twice a year.

Looking Ahead: The Board meeting is Wednesday, September 7, 2022 at 6pm in the Preserve clubhouse.

Saturday, September 10 Another Community Yard Sale (from 8am - 2pm): We will be hosting the yard sale (weather permitting) and have invited Sunset Point to join us.
