

**THE PRESERVE ON ANASTASIA ISLAND
NEWSLETTER
February 2023**

Thursday, February 2: Groundhog Day. Hopefully Punxsutawney Phil will not see his shadow and we will have an early spring.

Tuesday, February 14: Happy Valentine's Day; a time of love.

Friday, February 17 - T.G.I.F: From 6pm - 8pm in the Preserve Clubhouse bring your favorite beverage and light refreshments will be served. ALL Preserve residents are invited.

Next Board of Directors Meeting: Wednesday, March 1 at 6pm.

The Preserve Entrance Sign: A big thank you to Linda Freese (owner) who volunteered to update the gold letters only.

Trash Compactor: The motor has been replaced ahead of schedule.

Pool Pump: The pool is now open. The pump was replaced. After that, a large pipe cracked and it took time to find the right person to repair it and ordering the fitting took several days.

Hot Water Heaters: If you have an original water heater, PLEASE PLEASE PLEASE get it replaced ASAP. Water heaters should be replaced after 10 years. If you don't know how to identify it, call the office for more information.

Florida Fish and Wildlife Conservation Commission: The FWC has several rules that prohibit feeding wildlife which includes raccoons. A person can be fined and/or incarcerated for deliberately feeding them. Be aware.
