Preserve Improvements: Mulch, new umbrellas at the pool and sidewalk grinding to prevent trip hazards have been completed.

Recent Storms: The recent storms have taken out a lot of equipment including the gates, some TV's, cable boxes and a few AC units. It might be a great time to look into surge protectors for your homes.

Pool and Gym Rules: With the busy summer season upon us, remember if a resident is either in the pool or the gym and someone requests to be let in (whether their clicker/FOB isn't working or whatever the reason) please do not give them access. They must come to the office and find out why their clicker/FOB isn't working. Until the issue is resolved, they can't have access to the amenities.
