

**THE PRESERVE ON ANASTASIA ISLAND  
NEWSLETTER  
July 2023**

**Roofing Project:** Management will put notices out the week prior to alert impacted residents which will include the numbered parking spots roofers will need to access. Please do NOT remove the cones on those designated parking spots but instead park in other non-numbered spaces away from the building. Please remove everything you have stored outside your doors to avoid accidental damage and it also is best to limit your access and egress due to the area being an active construction site.

**July 4 is Independence Day (Happy Birthday USA!!!):** The office will be closed Monday 7/3 and Tuesday 7/4 in observance of the holiday. Note: Gail will be on vacation that week but Kathy will be available 7/5 - 7/8.

**July 12 - Wacky Wednesday (see website for details):** From 5pm - 9pm in the Preserve Clubhouse! Fun for the whole family. Games, puzzles and trivia. BYOB and potluck picnic. ALL residents are invited.

**Glass Recycling Program:** The City of St. Augustine Solid Waste Division has launched their glass recycling at the following three-designated locations: Downtown Lincolnville at 501 Riberia Street, North City at 323 San Marco Avenue and Anastasia Island at 143 Red Cox Drive. To confirm what glass is acceptable you can call 904-825-1049 or visit [Recycle@CityStAug.com](mailto:Recycle@CityStAug.com).

**Looking Ahead:** The next Board meeting is Wednesday, September 6, 2023 at 6pm in the Preserve clubhouse.

**Pool and Gym Rules:** With the busy summer season upon us, remember if a resident is either in the pool or the gym and someone requests to be let in (whether their clicker/FOB isn't working or whatever the reason) please do not give them access. They must come to the office and find out why their clicker/FOB isn't working. Until the issue is resolved, they can't have access to the amenities.
