

THE PRESERVE ON ANATASIA ISLAND
NEWSLETTER
September, 2020

Drier Vents – The deadline for getting your drier vent cleaned has come and gone. There are still several units that have not been reported as being cleaned. Did you forget to let the office know? Please if you haven't done so, clean out your dryer vent and let Gail or Kathy know that it has been done. This is a fire safety concern for all of our residents.

Large Trash Items – As you pull into The Preserve, the dumpster is the first thing you see. We really want to keep that area as clean and neat as possible. Someone did some major clean out recently. That's great! The problem is that they left mattresses, box springs, and shelving alongside of the dumpster. Please take the large items to the Disposal Facility. Construction & Demolition Debris must be taken to St. Marks C&D Disposal Facility off of International Golf Pkwy, (904) 825-2105 or Waste Pro Transfer Station off SR 207, (904) 819-1738.

Labor Day – Monday September 7th is Labor Day. Folks are still a little uneasy about social gathering so we will not have a Labor Day party this year. Let's hope that by Halloween the virus will be more under control and we can celebrate. Its been a long time since we have gotten together.

Game Day – Another social activity is game day. During the fall & winter, we had been playing board games or cards on Wednesdays. I hope to start that up again soon. Social distancing is difficult while playing games. I may possibly move it from Wednesdays to Mondays.

THINGS TO DO IN ST AUGUSTINE

Cycles of Nature – For the early birds. St. Johns County Parks and Recreation Department is partnering with Marineland Dolphin Adventure to host a special free program, This free sunrise beach walk will take place from 7:00 to 8:00 a.m. on Thursday, September 3; Friday, September 4; and Sunday, September 20. The event will be held at Butler Park East in St. Augustine. Registration is required. **Where:** Butler Park East is located at 5860 A1A South in St. Augustine, FL 32080. <https://www.visitstaugustine.com/event/cycles-nature>

First Friday Art Walk - On the first Friday of every month, St. Augustine's art galleries welcome visitors to browse the latest art exhibits at some 30 participating galleries. Many of the featured artists are on hand to answer questions about their work. The monthly event takes place on the first Friday of every month from 5:00 to 9:00 p.m., rain or shine, throughout St. Augustine's historic downtown area, from Aviles to King Streets, St. George Street and more —even over the Bridge of Lions onto Anastasia Island and the beach. <https://www.visitstaugustine.com/event/first-friday-art-walk>

Nature Photography Course – The St. Johns County Parks and Recreation Department offers a free Nature Photography course with three classes on successive Thursdays: September 10, 17, and 24, 2020. Local photographer Nicholle Goodnight will lead these hands-on classes from 6:00 to 7:30 p.m. at Nease Beachfront Park. **Admission:** FREE, but registration is required. Participants should plan to attend all three classes. <https://www.visitstaugustine.com/event/nature-photography>
